PRODUCTS: **ALL CREATIO PRODUCTS**

When working with Creatio, you may need to view the changes made to your data and see who made these changes and when. For example, you can check which contact records were changed last month.

The data change history is available in the [*Change log*] section ([Fig. 1](#)).

Fig. 1 The [*Change log*] section view

Title ^	Name	Logging enabled
Account	Account	<input checked="" type="checkbox"/>
Activity	Activity	<input checked="" type="checkbox"/>
Administrated operation	SysAdminOperation	<input type="checkbox"/>
Call	Call	<input checked="" type="checkbox"/>
Campaign	Campaign	<input type="checkbox"/>
Campaign log	VwCampaignLog	<input type="checkbox"/>
Case	Case	<input type="checkbox"/>
Case status	CaseStatus	<input type="checkbox"/>
Change	Change	<input type="checkbox"/>

The change log contains information about adding, modifying, and deleting records (entries) in the database tables for Creatio objects. This includes sections, details, lookups, as well as other objects.

There are two ways you can open a change log for viewing its records:

- Open the **Change log** section from the System Designer and select an object to view its logs
- Open the change log of a specific record directly from the **record page**.

Method 1. View the record changes from the change log

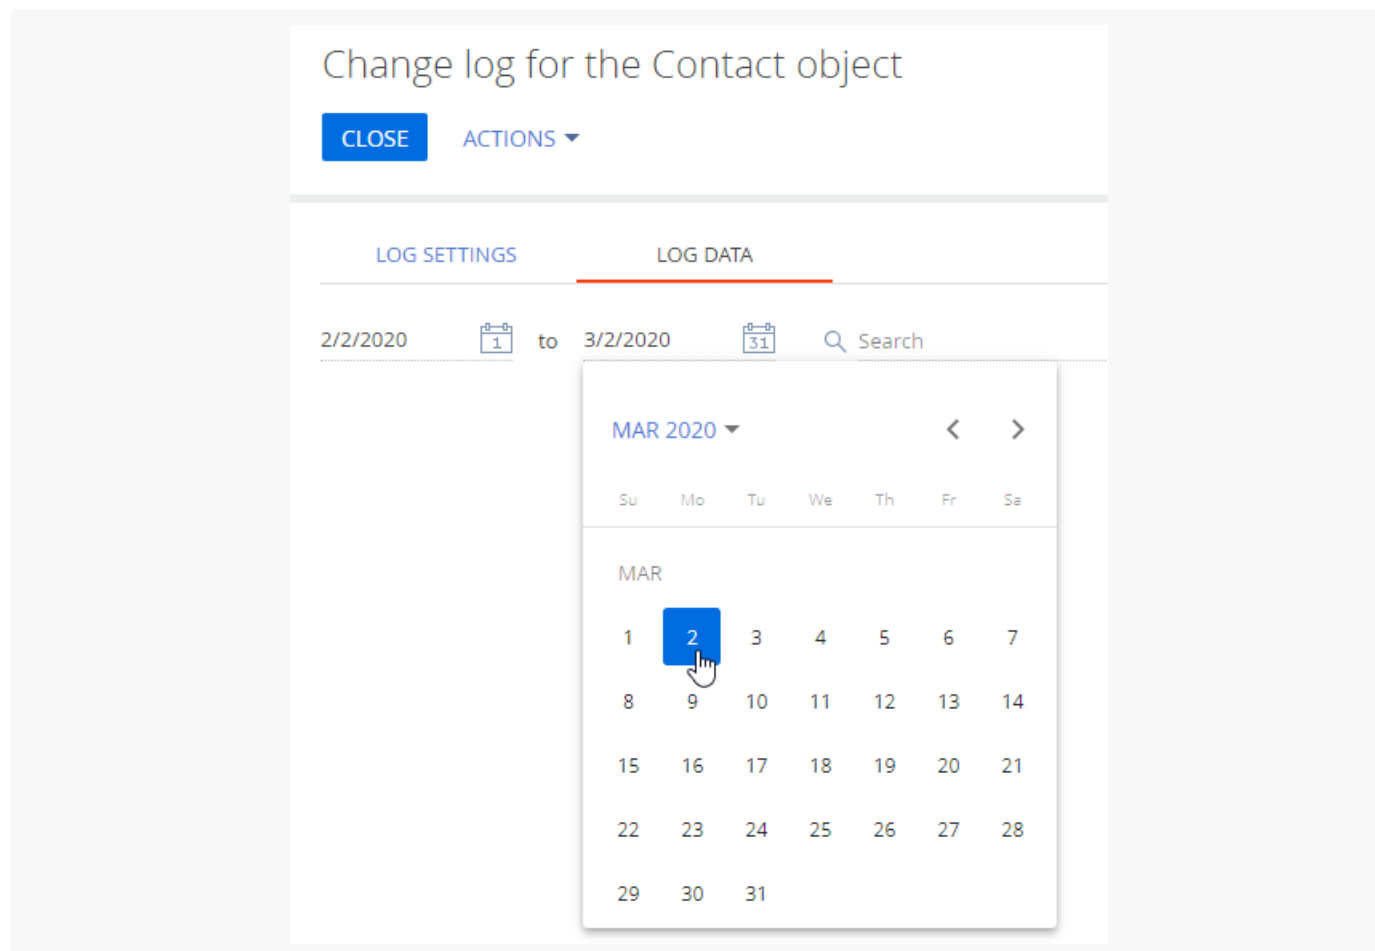

Example. View the contact records that were changed last month.

1. Open the System Designer, e.g., by clicking .
2. Under [*Users and administration*], click [*Change log*].

Note. To view the changes, make sure you have the [*Access to "Change log" section*] (CanManageChangeLog) system operation permission.
Learn more about using system operations in the "[System operation permissions](#)" article.

3. Set the filter - for our example, select "Sections".
4. Find the needed object using the search bar or manually. In our example, we use the "Contact" object. Click the object title to open the change log page.
5. Click the [*Log data*] tab and set the date filter ([Fig. 1](#)). In our example, it is the time period from February 2nd to March 2nd, 2020.

Fig. 1 Filtering changes by date for the "Contact" object

As a result, the list of records that were changed within the specified period will be displayed ([Fig. 2](#)). The icons next to dates display the type of the performed operations: deleting, adding or editing.

LOG SETTINGS LOG DATA

2/2/2020  to 3/2/2020 

Change made on ▾	Change made by	Record
 2/29/2020, 4:02:35 PM	Joshua Lenoth	Michael Twedding
 2/27/2020, 3:58:23 PM	Joshua Lenoth	Malcolm Greenins
 2/27/2020, 3:58:23 PM	Patty Pratcher	Joshua Lenoth
 2/19/2020, 3:49:55 PM	Sandy Melear	Patty Pratcher
 2/11/2020, 3:39:04 PM	Sandy Melear	Malcolm Greenins
 2/11/2020, 3:39:04 PM	Patty Pratcher	Joshua Lenoth
 2/11/2020, 3:39:04 PM	Sandy Melear	Melanie Golfred

6. Use the **search bar** to quickly find the needed record by title. In our case - by the contact's full name ([Fig. 3](#)). To learn the details of the performed changes, click the name in the [*Record*] column.

LOG SETTINGS LOG DATA

2/2/2020  to 3/2/2020 

Change made on ▾	Change made by	Record
 2/29/2020, 4:02:35 PM	Joshua Lenoth	Michael Twedding

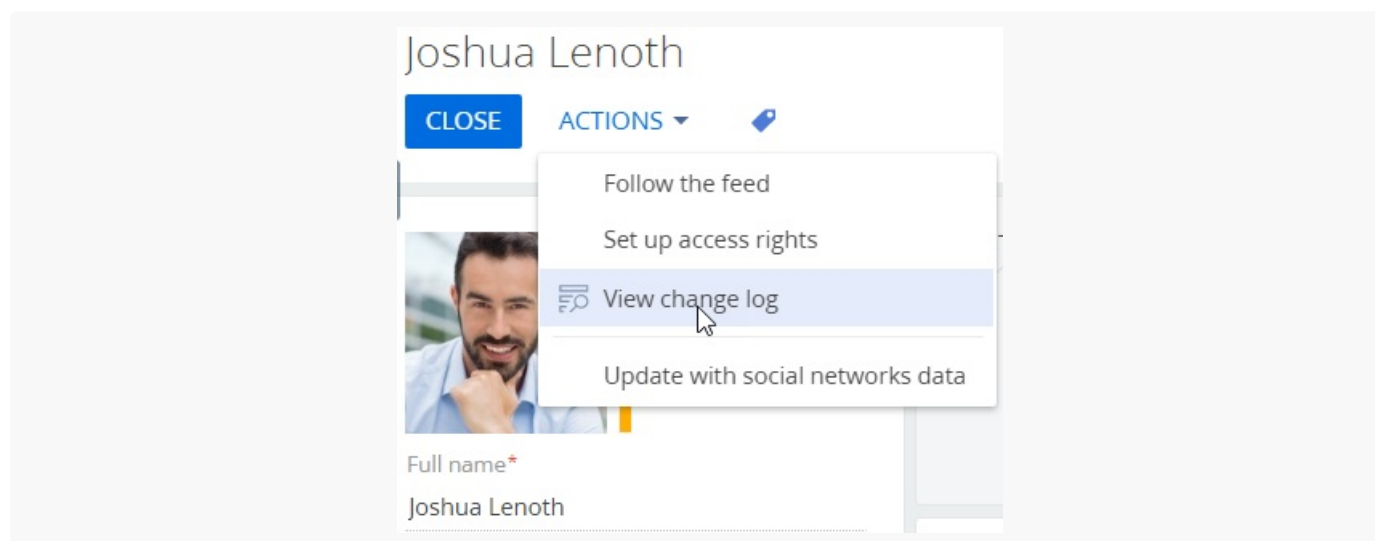

Method 2. View logs of a specific record directly from the

record page

Example. See the change log of the field values on the page of a specific contact for the last month.

1. Open the page of the needed record.
2. Click [*Actions*] → [*View change log*] ([Fig. 1](#)).

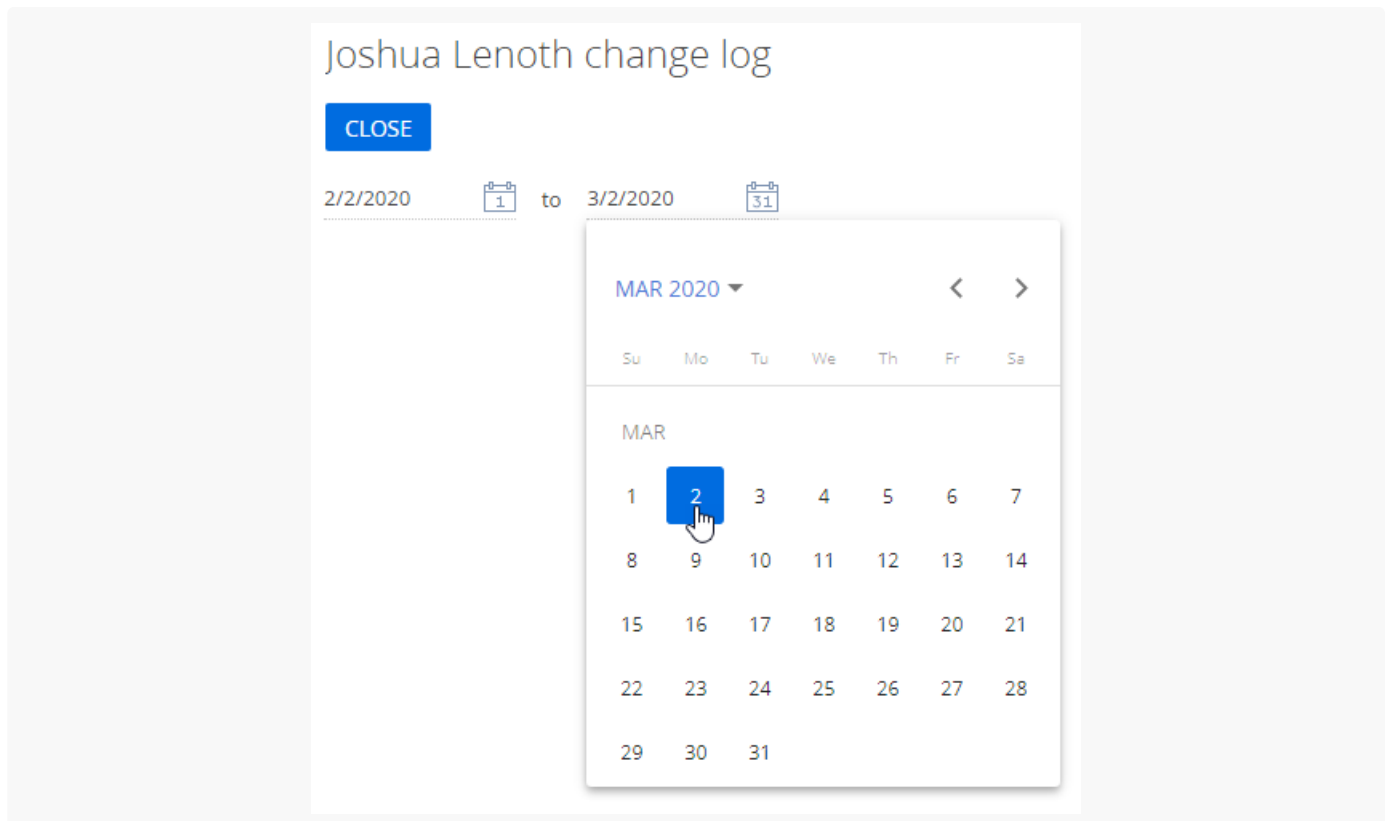

Fig. 1 The [*View change log*] action

Note. If you cannot see the [*View change log*] command in the [*Actions*] menu, make sure you have permission to the [*View change log*] (CanViewChangeLog) system operation. Learn more about using system operations in the "[System operation permissions](#)" article.

3. The page that opens will display information about the selected record:
 - a. dates of the changes
 - b. authors of the changes
 - c. record name
 - d. list of the changed columns
 - e. values before the change
 - f. values after the change
4. Set the date filter to display only the changes for the last month. ([Fig. 2](#)). In our example, it is the time period from February 2nd to March 2nd, 2020.

Fig. 2 Filtering changes by date for the log of a specific record

As a result, you will see the changes that were made in the logged fields within the specified period ([Fig. 3](#)).
